

# Dave Yost · Auditor of State

### HAND DELIVERED

January 30, 2015

Mark H. Reed Clerk of the Court Ohio Court of Claims The Ohio Judicial Center 65 South Front Street, 3<sup>rd</sup> Floor Columbus, Ohio 43215

#### Dear Clerk Reed:

I am writing, as required by Ohio Revised Code (O.R.C.) section 2743.49, to report to you on the adjustments calculated by the Auditor of State's Office regarding the amount owed to an individual who has been found to be wrongfully convicted and imprisoned in the State of Ohio.

O.R.C. §2743.48 allows an individual who has been wrongfully convicted and imprisoned for committing a felony criminal offense to file a civil action against the state. Included in the statute is an amount which an individual is entitled to recover for each full year in which the person was wrongfully imprisoned.

O.R.C. §2743.49 requires that in each odd-numbered year, the Auditor of State shall adjust the amount owed to a wrongfully-imprisoned individual, based on the yearly average of the Consumer Price Index for the previous two years, and shall forward a report of the adjusted amount to the Ohio General Assembly, and to the Ohio Court of Claims. The adjusted amount is effective for the next two years. This letter is intended to satisfy the reporting requirement of this statute.

Based on the formula provided in O.R.C. §2743.49, the new adjusted amount for wrongful imprisonment awards is \$51,901.58. This amount is to be in effect for 2015 and 2016. As described in O.R.C. §2743.49, this report and all related documents are public records and are available for copying and inspection in my office. Please do not hesitate to contact my office if you need additional information about this report.

Sincerely,

Auditor of State

Encls.

Certification of Wrongful Imprisonment		2015 (for 2015- 2016)
1	Using the yearly average for the immediately preceding even- numbered year (2014) as the base year, the auditor of state shall compare the most current average consumer price index (2014, determined in 2015)	236.7
2	With that determined in the preceding odd numbered year (2012 determined in 2013)	229.6
3	And shall determine the percentage increase or decrease.	3.1%
4	The auditor of state shall multiply the percentage increase or decrease by the actual dollar figure specified in division (B)(2)(b) of section 2743.48 of the Revised Code (or the actual dollar figure determined from the previous odd-numbered year under this section)	\$50,344.75
5	And shall add the product to or subtract the product from	\$1,556.83
6	Its corresponding actual dollar figure, as applicable for the previous odd-numbered year.	\$50,344.75
7	Recertified Amount	\$51,901.58

## Dave Yost • Auditor of State
