Dear Clerk Renick:

I am writing, as required by Ohio Revised Code (O.R.C.) section 2743.49, to report to you on the adjustments calculated by the Auditor of State's Office regarding the amount owed to an individual who has been found to be wrongfully convicted and imprisoned in the State of Ohio.

O.R.C. §2743.48 allows an individual who has been wrongfully convicted and imprisoned for committing a felony criminal offense to file a civil action against the state. Included in the statute is an amount which an individual is entitled to recover for each full year in which the person was wrongfully imprisoned.

O.R.C. §2743.49 requires that in each odd-numbered year, the Auditor of State shall adjust the amount owed to a wrongfully-imprisoned individual, based on the yearly average of the Consumer Price Index for the previous two years, and shall forward a report of the adjusted amount to the Ohio General Assembly, and to the Ohio Court of Claims. The adjusted amount is effective for the next two years. This letter is intended to satisfy the reporting requirement of this statute.

Based on the formula provided in O.R.C. §2743.49, the new adjusted amount for wrongful imprisonment awards is \$64,186.92. This amount is to be in effect for 2023 and 2024. As described in O.R.C. §2743.49, this report and all related documents are public records and are available for copying and inspection in my office. Please do not hesitate to contact my office if you need additional information about this report.

Sincerely,

Keith Faber
Auditor of State

Encls.
